### NOBOS Wines 2005 Merlot

No BS - All value, with no pretense. Our 30 years in the wine business has given us the experience and the ability to source outstanding grapes and wine from the finest growing areas in California.

This Merlot was produced from mountain fruit grown high above the Dry Creek Valley in Sonoma County. It has deep, penetrating aromas of chocolate covered black cherries, and baking spices. The flavors are a mouth filling combination of a ripe fruit tart in a butter crust, with a rich velvety finish. Drink it with roast or braised meats with a rich sauce.
