### NOBOS Wines 2007 Chardonnay

No BS - All value, with no pretense. Our 30 years in the wine business has given us the experience and the ability to source outstanding grapes and wine from the finest growing areas in California.

This Chardonnay was grown in the Scheid Vineyards, which produce some of the best wines in the state. The aromas of apple peel and crème brulee literally jump out of the glass, followed by flavors reminiscent of a key lime pie in a butter crust. Try it with shellfish pasta in alfredo sauce.
