ReZerve Carignane

Winemaker Notes

CARIGNANE

Our old vine mountain vineyard produces very small crops of intensely flavored grapes. The wines are rich and flavorful, and go well with grilled or braised meats or cheese dishes. Made with Organically Grown Grapes.

DESCRIPTION

A little-known grape with origins in Spain. It is one of the most widely planted grapes in the South of France. When planted in our low-fertility soils it yields less than two tons per acre. Our growing conditions produce small bunches of tiny grapes with high tannin, excellent flavors, and dark colors. The wine should be at its peak drink ability from 2009-2010. Serve it with rich dishes of short ribs or lamb, or with cheeses at the end of your meal.

FOOD PAIRING

Goes well with grilled meats – try it with your BBQ this summer.
