2007 ReZerve Primitivo

Sustainably Grown & Estate Bottled

A lush, intense wine with a deep, crimson hue, and powerful scents of plum, ripe cherry, briar, black pepper and clove; Big enough to make one sit back and take immediate notice. Terrific in the mouth, silky, yet full with hints of espresso bean and smoke.

“... It surges and leaps across the palate with startling balance and grace.... You don’t have to wait for the chilly nights of winter to enjoy this Primitivo. Just throw something on the grill.”

The Sacramento Bee—Mike Dunne, Aug. 12, 2009
