
2004

ReZerve[®] Tempranillo

Winemaker Notes

DESCRIPTION

This relatively unknown varietal is actually the darling of Spain's renowned Rioja wines. This wine is rich, smooth and velvety with hints of plum and black cherry. It is broad on the palate with a long lingering finish. The excellent 2004 growing season produced a lush, concentrated, flavorful wine that we feel merits the ReZerve[®] designation. Made with our own organically farmed grapes.

FOOD PAIRING

Serve with Italian dishes like eggplant parmesan; goes well with grilled summer sausage.
