2013 Zingiovese®

50% Zinfandel, 50% Sangiovese

In Italy, Sangiovese is the main ingredient of Chianti, where it is blended with many local Italian grapes. We have blended it with our local grape — Zinfandel, in an effort to bring you a wine with very individual, but very memorable characteristics. The aromas are rich and jammy, with overtones of cocoa and coffee. The flavors are rich and full with the finesse of Sangiovese, and the powerful berry fruit of the Zinfandel.
