## Sobon Estate 2012 Rezerve Rosé (Amador County)

Price \$11

Sobon's dry rosé (made from 96% Grenache grapes and 4% Syrah) is pinkish-red in color, brisk and structured with acidity, and a great, great value to boot. Drink on its own—plenty chilled—or find some fresh **seafood** and enjoy. — V.B. (7/1/2013)

## Sobon Estate 2006 Rezerve Rosé (Amador County)

Price \$10

One of the lightest-colored wines of our tasting, this blend of Grenache, Syrah and Carignon is not light in flavor. It's a spicy, mouth-watering wine, with brisk acids and pleasant berry-cherry fruit. — S.H. (7/1/2007)
