

SOBON ESTATE

Winery & Vineyards

Site of the
Shenandoah Valley Museum

The Grapes

- Estate grown
- Sustainably farmed

The Vineyards

- Choice micro-climates & soils
- Carefully selected clones to match each site
- The highest elevations in the Shenandoah Valley

The Winemaking

- State of the art techniques
- 60 years combined expertise

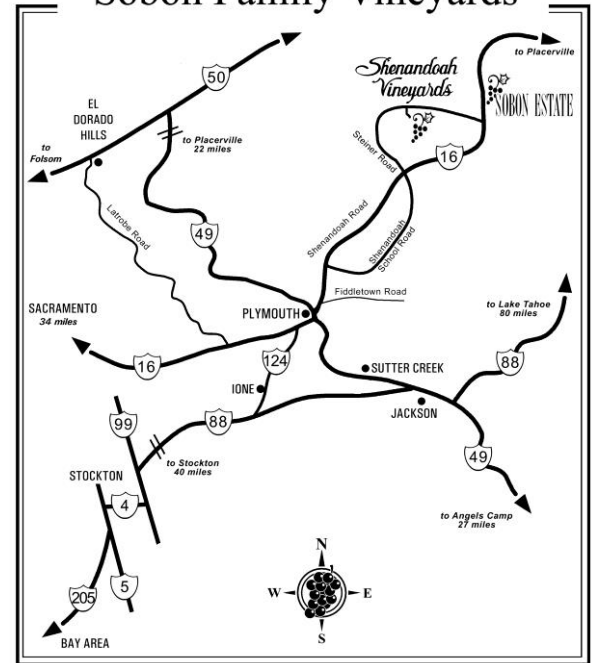

The Dedication

- Our family's goal is to produce rich, full flavored wines with maximum respect for the environment
- Lightly-irrigated vineyards produce smaller crops, but great grapes!
