# 2012 ReZerve® Tannat

## Winemaker Notes

---

### TANNAT

Imagine...A fresh baked wild blackberry pie with a buttery crust and a scoop of vanilla ice cream. From your first whiff, to your last sip, you will be transported! The flavors however, are dry, rich, full and demand a rich dish like braised short ribs. A new taste experience!

### DESCRIPTION

This globe-trotting varietal was originally grown in the south of France, and then became firmly entrenched in Uruguay. Tannat appears now to have found a home in the well-drained, sun drenched soils of Northern California. A wine of immense structure, concentration and power that begins with perfumey aromatics of cherry blossoms, wild herbs and sagebrush, leading to mid-palate impressions of black fruits and dried cranberries with hints of black pepper, wild herbs, and even a touch of anise. Lush and mouth filling, soft and velvety, this offering ends with a warm, dry lingering finish. Best paired with soft ripe cheeses, braised short ribs and the classic Beef Wellington. This relative newcomer is always sure to impress in any setting.

### FOOD PAIRING
