## 2017 BARBERA

### **BEST OF CLASS GOLD**

2019 San Francisco Chronicle  
Wine Competition

This rich robust Barbera is sustainably farmed in well drained volcanic soils. This deep dark brooding nectar has intriguing aromas suggesting dried black fruits, allspice and toasty oak. With initial hints of orange rind and raspberries, the mid palate explodes with wild zesty flavors of ripe summer cherries, plums and anise. Dry and full bodied with a warm luxuriant finish.
