**“BEST LOCAL WINES
UNDER \$20”**

“A lot of Viognier made in California is rich,
but not refreshing. This is both.

It delivers all the honeysuckle, lavender, peach
and spice expected of the varietal, but the body is
streamlined and the acidity is pointed, making it
more uplifting than most versions.”

MIKE DUNNE—THE SACRAMENTO BEE, JUNE 20, 2018

Sustainably Estate Grown
