2016 REZERVE® PETITE SIRAH

“Dark purplish ruby color; attractive, ripe, spicy, cedary, black cherry and blackberry fruit aromas... toasty oak; full body; big, deep, concentrated meaty, spicy black fruit flavors with notes of black pepper, mineral, and sweet oak, and a full, rich mouthfeel; full tannin; lingering aftertaste. Very approachable now, though worthy of further bottle aging.” - March 2019

Made from Estate Grown, Sustainably Farmed grapes.
