

SILVER MEDAL

2020 WEST COAST WINE COMPETITION

2018 BARBERA

A PERENNIAL FAVORITE!

This rich robust Barbera is sustainably farmed in well drained volcanic soils.

Its deep dark brooding nectar has intriguing aromas suggesting dried black fruits, allspice and toasty oak.

With initial hints of orange rind and raspberries, the mid palate explodes with wild zesty flavors of ripe summer cherries, plums and anise. Dry and full bodied with a warm luxuriant finish. It is a perfect match for everything from grilled meats, soft ripe cheeses, and savory sausages.

*Sustainably Grown
& Estate Bottled*
