

2013 SYRAH

Limited
Release!

Excellent
Value!

This deep dark brooding wine from our highest, most steeply terraced estate vineyard, naturally farmed and sustainably grown, is redolent of forest scents, exotic spices, spring violets and fresh blueberries.

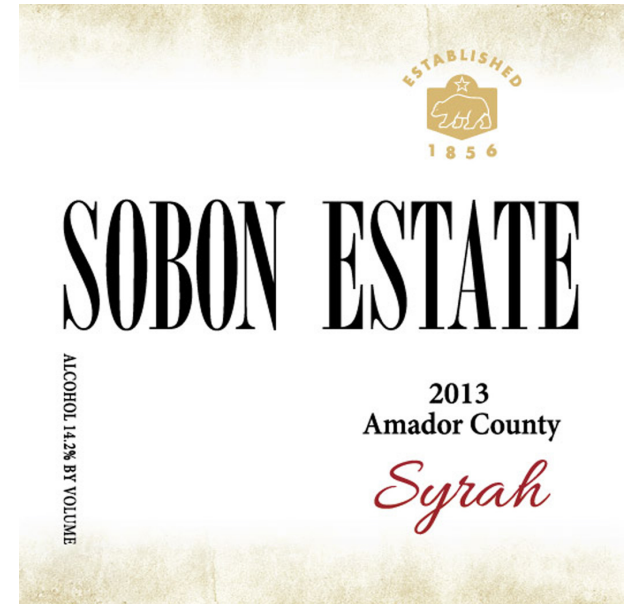

Layers of ripe black fruit, sleek minerality and meaty, smoky textures make it an ideal accompaniment to wild game and flame grilled steaks and chops. Elegant with a long velvety finish.

Sustainably Grown
