
2018 ReZerve® Tempranillo Winemaker Notes

2018 TEMPRANILLO

A little known grape, grown widely in Spain and Portugal, just starting to make its mark in California. It has rich flavors of plum and black cherry. Excellent with turkey or roast beef.

DESCRIPTION

Originally from North Central Spain's finest vineyards, this local Amador favorite is from our own small estate hilltop vineyard planted in the early 90s, farmed naturally and sustainably to produce fruit of exceptional purity and richness. This medium to full bodied wine has subtle but suggestive aromatics of summer herbs and garden spice, with alluring mineral overtones. The mid-palate flavors suggest ripe black cherries and pomegranate with hints of kirsch supported by supple smooth tannins.

Firm and dry with an almost endless finish, this wine's structure makes it an ideal complement to charcuterie, cured meats, Jamon Iberica, and California Santa Maria Tri Tip roast. Very drinkable at present with 3-8 years of cellaring potential ahead.
