DESCRIPTION

Made primarily from our original hillside estate vineyard planted in 1978, this crisp dry, easy drinking favorite, is made entirely from sustainably grown grapes. With aromas of fresh cut hay, lemon zest and a hint of minerality, giving way to enticing suggestions of ripe summer melon and fresh figs on the pallet, this light to medium bodied wine is equally suitable for easy summer picnics as well as white linen fine dining. Clean and fresh on the finish, this wine is an ideal complement to grilled prawns, blackened Mahi Mahi fish tacos or fresh oysters on the half shell.
