2022 CA STATE FAIR

"...This rich, generously fruited,
wonderfully specific Zinfandel that,
at a mere \$13,
is as fine a red wine value
as one is likely to find.

It is a balanced, medium-full bodied
working that hits the berry-like
varietal mark smartly, and any who think it is too
modestly priced to be other than a simple
quaffer are well-advised to think again."
