### DESCRIPTION

From our steepest hillside vineyard comes this rich robust Barbera. Naturally grown and sustainably farmed from well drained volcanic soils, this deep dark brooding nectar has intriguing aromas suggesting dried black fruits, allspice and toasty oak. With initial hints of violets and raspberries, the mid palate explodes with wild zesty flavors of ripe summer cherries, plums and anise. Dry and full bodied with a warm luxuriant finish. Letting it age from 6 months – 3 years will really allow it to develop. This wine is the perfect accompaniment to Veal Saltimbocca, Sausage, and our favorite; Spaghetti alla Carbonara.
