Shenandoah Vineyards

## 2020 Zingiovese®

A Zinfandel, Sangiovese and  
Petite Sirah Blend

*Sangiovese is a traditional Italian variety, we have blended it with our local grape — Zinfandel, in an effort to bring you a wine with very individual, but very memorable characteristics. The aromas are rich and jammy, with overtones of cocoa and coffee. The flavors are rich and full with the finesse of Sangiovese, and the powerful berry fruit of the Zinfandel.*

**DESCRIPTION** Our proprietary blend of Sangiovese, the noble grape of Tuscany, and Zinfandel, the varietal most closely associated with Amador County. Naturally grown and sustainably farmed from select Estate blocks, this intriguing offering is deep, rich and full bodied with spicy aromas with hints of rose petals and cocoa. The mid palate impressions are strongly suggestive of dried black fruits, wild herbs and licorice with subtle flecks of black pepper. Ending in a long dry lingering finish, this robust wine is best paired with your heartiest fare including wild boar sausages, slow smoked beef brisket and tomato-based pasta dishes.

**FOOD PAIRING** An excellent match for veal, beef, or chicken with a red sauce.
