2020 Cougar Hill Zinfandel

May 2023 | Wine Enthusiast

“With its own special microclimate near our large pond, this 65-year-old sustainably grown vineyard has a unique northern exposed hillside. This gives us the sleekest and most elegant of all our single-vineyard offerings. Full-bodied with superbly integrated flavors of dried fruit and herbal aromatics leading to a silky smooth texture with mid pallet hints of huckleberry, cocoa, dried cranberries, and a signature mountain brambly character. Rich and satisfying with a warm lingering finish.”

ABV: 15% | \$20
