ReZerve® Primitivo

Winemaker Notes

2021 PRIMITIVO

Big, rich and full bodied; with toasty, jammy aromas and forward fruity flavors. Genetically related to the Zinfandel, but strikingly different in balance and intensity.

Sustainably Grown - Solar Powered

DESCRIPTION

Planted in the early 90's on well-drained bench land, this dry farmed, sustainably grown block is now producing some of the most flavorful high-quality fruit on the entire estate. Primitivo is the Italian clone of Zinfandel, and delivers a wine leaning more in the direction of rich plum-like flavors rather than blackberry. A full-bodied wine of great richness and depth with a ripe mouth-filling viscous structure, and a smooth almost feminine silkiness that belies its bold character. Heady aromatics give way to a lush warm finish that makes this wine the ideal complement to the most savory and heartiest fare.

FOOD PAIRING

Serve with leg of lamb, braised short ribs, duck confit and beef tournedos, or pasta with spicy sauces.
