### DESCRIPTION

This year's Malbec leans towards the wonderful Argentinian style. It has amazing dark fruit aromas, with a lush texture and supple tannins that make it velvety smooth, with hints of spice and cocoa powder. Don't be fooled though, Malbec's distinct tartness and earthiness is still present on the back end to provide depth and complexity.

Drink Now and within 2-3 years. This vintage's supple tannins and mellow tartness make it the perfect wine to enjoy within the next couple of years, rather than letting it age.

### FOOD PAIRING

It pairs perfectly with foods that are otherwise difficult to match wine with. Try it with Fajitas, Cantonese or Szechuan style Chinese, and especially Sauced BBQ dishes.
