VINEYARD HISTORY

Nestled within our original estate, our sustainable Cabernet Sauvignon vineyard is one of the first five varietals Leon Sobon planted. This vineyard flourishes on a cool, northern-exposed hillside, where the unique microclimate allows the grapes to develop their full potential.

WINEMAKERS NOTES

This sustainably grown wine has aromas of cassis, vanilla, and cedar that lead to a rich mid-pallet impression of ripe currants, sandalwood, and subtle herbal notes. Medium to full-bodied, ripe, and complex, with a long, lingering finish.
