VINEYARD HISTORY

Sustainably farmed from select Estate blocks of zinfandel and blended with carefully selected Sangiovese.

WINEMAKERS NOTES

In Tuscany, Sangiovese is the main ingredient of Chianti, where it is blended with many local Italian grapes. We have blended it with our local grape, Zinfandel, in an effort to bring you a wine with very individual but very memorable characteristics. An artful blend of Zinfandel and Sangiovese. The aromas are rich and fruit forward. The flavors return the berry fruit of Zinfandel and the finesse of Sangiovese. A truly unique and memorable wine.

Great with grilled and smoked meats and BBQ fare. Also pair with your heartiest dishes including wild boar sausages, slow smoked beef brisket and tomato-based pasta dishes.
