WINEMAKERS NOTES

This small lot Grenache is meticulously crafted from sustainably farmed estate vineyards in the heart of Amador County. Thriving in the warm climate and well-draining hills of this region, our Grenache flourishes in conditions similar to those of Spain, believed to be the origin of this varietal. The wine displays intense, pure flavors of stewed strawberry and ripe blood orange, with subtle hints of plum and forest floor that add depth and complexity. Its dry, medium-bodied profile offers a smooth, balanced structure with silky tannins, making it a perfect match for a variety of dishes or a fine choice for savoring on its own.
