

Shenandoah Vineyards

A family dedicated to crafting exceptional wine since 1977.

2023 PINOT NOIR *North Coast*

WINEMAKERS NOTES

This Pinot Noir exhibits classic aromas of black cherry and bright raspberry. Medium bodied, bursting with fruit flavors and hints of cedar, it offers a sophisticated balance that lingers beautifully on the palate. The initial rush of red fruit provides a vibrant energy, while the subtle woody undertones add a layer of rustic complexity.

PAIRINGS

Seared salmon and grilled quail beautifully balance the wine's acidity and cedar notes, while a mushroom risotto mirrors its rustic, earthy complexity. These pairings prove that the wine's sophisticated fruit profile is versatile enough for both elegant dinners and everyday meals.
