WINEMAKERS NOTES

Made primarily from our original hillside Estate vineyard, planted in in 1978, this crisp dry, easy drinking favorite, made entirely from sustainably grown grapes, has developed a decidedly southern hemisphere style as we pick more for flavors than lab numbers. With aromas of fresh cut hay, lemon zest and a vague hint of minerality giving way to enticing suggestions of ripe summer melon and fresh figs on the pallet, this light to medium bodied offering is equally suitable for easy summer picnics as well as white linen fine dining.

PAIRINGS

This wine is an ideal complement to grilled prawns, blackened Mahi Mahi fish tacos or fresh oysters on the half shell.
