

Shenandoah Vineyards

A family dedicated to crafting exceptional wine since 1977.

2025 SAUVIGNON BLANC *Amador County*

WINEMAKERS NOTES

Made primarily from our original hillside Estate vineyard planted in in 1978, this crisp, dry, easy-drinking favorite is made entirely from sustainably grown grapes and has developed a decidedly southern hemisphere style, as we pick more for flavors than lab numbers. With aromas of fresh cut hay, lemon zest, and a vague hint of minerality giving way to enticing suggestions of ripe summer melon and fresh figs on the palate, this light to medium-bodied offering is equally suitable for easy summer picnics as for white linen fine dining.

PAIRINGS

This wine is an ideal complement to grilled prawns, blackened Mahi Mahi fish tacos, or fresh oysters on the half shell.
