WINEMAKERS NOTES

This deep dark brooding wine from our highest, most steeply terraced estate vineyard is redolent of forest scents, exotic spices, spring violets and fresh blueberries. Nearly opaque in appearance; this rich full bodied offering has layer upon layer of ripe black fruit, sleek minerality and meaty, smoky textures. Elegant with a long velvety finish, this offering is ready to enhance any fine dining experience. Excellent now, but will also benefit from short to medium (2-5 years) term cellaring.

PAIRINGS

It is an ideal accompaniment to wild game and flame grilled steaks and chops. Serve with Cornish game hen, beef or veal with rich sauces.
